**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I am a customer of tega cay water service.(TCW)

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

TCW is requesting a huge price increase. I assume they are trying to recoup the cost incurred in repairing the pumping station (sewer) on point clear drive which is next door to my house. I have been living here since 1975 and they have been having trouble with this station since I moved in. They only have done stop-gap measures all these years. Finally they have done major repairs in the last couple of months.

I strongly object to this price increase since they had increases in 1999, 2006, and 2010. We were told these were to repair their equipment. Yet they waited until 2012.

I am 80 years old, on fixed income, and simply cannot afford the increase.

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***

NO.
